

Job Title: Design & Technology Learning Support Level 3

Application closing date: 22/4/2014

Interviews: TBA

Start date: Summer Term 2014

Salary: Grade D £19,038 FTE (Actual salary £16,702)

Location: Basingstoke

Contract Type: 37hrs per week, term time only

Contract Term: Permanent

Dove House School is a Special Academy for pupils with moderate learning difficulties and autism, with an approved place number of 180 from April 2014. The school is rated Outstanding by Ofsted and our popularity has meant that we are consistently over-subscribed.

We are seeking to recruit a creative and enthusiastic level 3 Teaching Assistant to work in the Design and Technology Faculty and Vocational Studies Programme. Subjects include resistant materials, computing and systems control. The role will also include:

- Assuming whole class responsibility for teaching and learning as directed by the teacher.
- Working unsupervised, to assist the teacher.
- Evaluating and reporting on pupils through observation and participating in assessment.
- Assisting the teacher with lesson planning.
- Contribute to and implement curriculum programmes.
- Use specialist skills to support pupils.
- Technician and site support responsibilities.

SEN experience is not essential as full training will be given. Experience with working in the technology field is desirable but an empathy with our students is a must.

If you would like more information about this rewarding opportunity or require an application form, please contact Cheryl Abdi on 01256 351555 or email c.abdi@dovehouse.hants.sch.uk.

Dove House School is committed to safeguarding and promoting the welfare of children and young people. We will ensure that our recruitment processes reflect this and all successful candidates will be subject to Disclosure and Barring Service checks.
