Dove House is an outstanding school (Ofsted 2015) for children with moderate learning difficulties and autism. We converted to an academy in November 2011 and have enjoyed many benefits from the autonomy this brings. Dove House is also an accredited Teacher Training Provider (SCITT) but above all it is a school which makes a difference to all those who are connected with it.

We are seeking to recruit a Maths Teacher. As well as having a full teaching commitment, the successful candidate will also include some tutor responsibilities. There is not a requirement to have experience with working with children with special needs as full training will be given but an empathy with them is essential. This role is suitable for an NQT.

If you would like further details or an application pack, please contact Claire Daniel on 01256 351555 or [c.daniel@dovehouse.hants.sch.uk](mailto:c.daniel@dovehouse.hants.sch.uk). Visits to the school are warmly invited.

Dove House School is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.
