Dove House is an outstanding school (Ofsted 2015) for children with moderate learning difficulties and autism. We converted to an academy in November 2011 and have enjoyed many benefits from the autonomy this brings. Dove House is also an accredited Teacher Training Provider (SCITT) but above all it is a school which makes a difference to all those who are connected with it.

We are looking for a maths specialist to join us in January 2016. This is a great opportunity to join a high performing department in this specialist school that as a lead school in Basingstoke for Initial teacher training, offers a high level of professional development to all its staff.

As well as having a full teaching commitment for Maths the successful candidate will be a tutor in the school. The successful candidate need not have experience with working with children with special needs as full training will be given but an empathy with them is essential.

This post would be suitable for an NQT or an experienced teacher.

If you would like further details, please contact Cheryl Abdi on 01256 351555 or [c.abdi@dovehouse.hants.sch.uk](mailto:c.abdi@dovehouse.hants.sch.uk). Please visit our website at [www.dovehouseacademy.com](http://www.dovehouseacademy.com)

Visits to the school are warmly invited.

Dove House School is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.
