

Technology Teacher

Start date: 1st September 2015

Closing Date: 20th March 2015

Interview Date: 1st April 2015

Salary: MPR / UPR + SEN

Dove House is an outstanding school (Ofsted 2010) for children with moderate learning difficulties and autism. We converted to an academy in November 2011 and have enjoyed many benefits from the autonomy this brings. Dove House is also an accredited Teacher Training Provider (SCITT) but above all it is a school which makes a difference to all those who are connected with it.

We are looking for a teacher to join our Technology faculty, teaching resistant materials and/or textiles, taking pupils through to GCSE. This is an opportunity for someone to specialise in this creative area of the curriculum.

As well as having a full teaching commitment for Technology, the successful candidate will be a tutor in the school. The successful candidate will not need to have experience with working with children with special needs as full training will be given but an empathy with them is essential. Dove House has a strong tradition of developing its own staff.

If you would like further details or an application pack, please contact Cheryl Abdi on 01256 351555 or c.abdi@dovehouse.hants.sch.uk. Visits to the school are warmly invited.
