

**Technology Teacher (Textiles)**

**Start date:** 1<sup>st</sup> September 2016  
**Closing Date:** 10<sup>th</sup> February 2016 (NOON)  
**Interview Date:** TBA  
**Salary:** MPR / UPR + SEN

Dove House is an outstanding school (Ofsted 2015) for children with moderate learning difficulties and autism. We converted to an academy in November 2011 and have enjoyed many benefits from the autonomy this brings. Dove House is also an accredited Teacher Training Provider (SCITT) but above all it is a school which makes a difference to all those who are connected with it.

We are looking for a teacher to join our Technology faculty, teaching textiles through to GCSE level. This is an opportunity for someone to specialise in this creative area of the curriculum.

As well as having a full teaching commitment for Technology, the successful candidate will be a tutor in the school. The successful candidate will not need to have experience with working with children with special needs as full training will be given but an empathy with them is essential. Dove House has a strong tradition of developing its own staff.

If you would like further details or an application pack, please contact Cheryl Abdi on 01256 351555 or [c.abdi@dovehouse.hants.sch.uk](mailto:c.abdi@dovehouse.hants.sch.uk). Visits to the school are warmly invited.

Dove House School is committed to safeguarding and promoting the welfare of children and young people. We will ensure that our recruitment processes reflect this and all successful candidates will be subject to Disclosure and Barring Service checks.
