

Job Title: Food Technology Teacher

Application closing date: 26th May 2016 (5pm)

Interviews: TBA

Start date: September 2016

Salary: MPS / UPS + SEN Allowance

Location: Basingstoke

Contract Type: 1.0

Contract Term: Permanent

Dove House is an outstanding school (Ofsted 2015) for children with moderate learning difficulties and autism. We converted to an academy in November 2011 and have enjoyed many benefits from the autonomy this brings. Dove House is also an accredited Teacher Training Provider (SCITT) but above all it is a school which makes a difference to all those who are connected with it.

We are seeking to recruit a Food Technology Teacher to join us in September 2016. As well as having a full teaching commitment, the successful candidate will be a tutor in the school. There is not a requirement to have experience with working with children with special needs as full training will be given but an empathy with them is essential. This post would be suitable for an NQT.

If you would like further details or an application pack, please contact Claire Daniel on 01256 351555 or c.daniel@dovehouse.hants.sch.uk. Visits to the school are warmly invited.

Dove House School is committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. All successful candidates will be subject to Disclosure and Barring Service checks along with other relevant employment checks.
